BASKET

Description:

Colourful beach baskets

Inspired by functional beach baskets, BASKET is designed as an integrated modular system with two different back heights. This allows you to customize and design your seating just the way you like it. The intelligent sofa is a great setting for an intimate and cosy time alone – or with friends, family or colleagues. The BASKET armchair comes with a swivel or fixed base. The BASKET poufs can be used as a footrest or a side table.

Year of design: 2011

Function:

Both the chair and the sofa can be ordered with two different back heights 97 cm and with an extra top that has the back height 97 x 127 cm.

Sales Arguments:

Colourful beach baskets.

Inspired by colourful beach baskets and integrated in a modular system that allows two different height adjustments for the back, BASKET lets you arrange your seating just as you like. This intelligently designed sofa provides a great setting for an intimate and cosy time alone or with friends, family or colleagues. BASKET is an all-around concept suited to both work and private spaces.

Design: Matthias Demacker

Matthias Demacker was born in southern Germany in 1970. He studied design at FH Niederrhein in Krefeld and at the same time worked with a number of different architects' studios on trade fair exhibition stands. After graduating, he moved to Munich, worked for a number of interior design studios and in 2003 set up his own. He has received many acknowledgements at an international level, such as the Interior Innovation Award, a nomination for the German Design Award (both in 2005), the Red Dot Award in 2007 and the Good Design Award in 2010. His vision for design: 'make it special, but keep it simple'.
