BON-BON

Description:

It's in the details BON-BON is a breath of fresh air in the world of classic furniture. This multifunctional pouf comes in different sizes and a wide range of materials and colours. Mix them for a modern and personal look and create an interesting and functional interior design.

Year of design: 2008

Function:

A multifunctional pouf with high density and high quality foam, which ensures a good sitting comfort. The poufs are easy to move around and placed where needed. Can be placed sideways and used as a seesaw or rocking chair for children.

Sales Arguments:

When details matter...

BON-BON breathes new life into a classical piece of furniture. With BON-BON, you not only get a completely new type of the multi-functional pouf, but also the possibility of combining them in different sizes and materials. The use of mixed materials provides excitement and personality for your home, in line with the latest trends within both fashion and furniture.

Design: Busk+Hertzog

busk+hertzog was established in Denmark in 2000 by Flemming Busk and Stephan B. Hertzog, and their successful studio, today located in Lisbon Portugal, has won more than 75 of the most prestigious international design awards, including Red Dot Award - Best of Best, IF Awards and Good Design Awards. busk+hertzog's design characteristics are sculptural, clean lines and a simple expression with minimal embellishment, and they often get their inspiration from shapes and lines found in nature.
