NEVADA

Description:

Simplicity and functionality in one

Sit and relax, chill-out or rest. NEVADA is a versatile sofa system perfect for private and public spaces. Play with the colours of the elements and create a combination to match your interior design. As an extra hidden feature, NEVADA is easily converted into a comfortable bed.

Year of design: 2006

Function:

The seating element of the sofa and chaiselongue is by a simple lift pulled away from the arm/back rest, and the back/armrest is turned to a vertical position, creating a comfortable single bed.

The backrest of the sofa can be fixed on to both sides of the frame, making it possible to create either a left or right version.

Sales Arguments:

Simplicity and functionality in one product.

For sitting, lounging or sleeping.

Numerous combinations and a sleeping function without compromise.

The sleeping function is integrated in the sofa and chaise long, and is not visible.

The sofa and chaiselongue are easily transformed into a bed. The sofa is available as right or left element.

Excellent seating comfort.

High quality.

Design: Busk+Hertzog

busk+hertzog was established in Denmark in 2000 by Flemming Busk and Stephan B. Hertzog, and their successful studio, today located in Lisbon Portugal, has won more than 75 of the most prestigious international design awards, including Red Dot Award - Best of Best, IF Awards and Good Design Awards. busk+hertzog's design characteristics are sculptural, clean lines and a simple expression with minimal embellishment, and they often get their inspiration from shapes and lines found in nature.
