

HÅG's mission is to bring movement and variation to the workplace. HÅG products stimulate intuitive and natural movement of the body and variation of sitting postures leading to improved health and productivity.

HÅG Tion™

- HÅG Tion is flexible and sustainable and designed to fit just about anywhere; as well in the home workspaces as in dynamic office environments.
- With 75% recycled & renewable content, we believe it to be the most sustainable task chair in the world, helping you reduce your impact on the environment.
- The HÅG Tion collection is a thoughtful selection of colours and materials, creating an iconic and contemporary set of chair designs.
- HÅG Tion is a chair with flexibility at its core. Our trademark HÅG inBalance® movement mechanism provides comfort by moving with your body throughout your workflow, helping you stay healthy and active without compromising productivity.

Design: Anderssen & Voll, Hunting & Narud, BIG-GAME and Flokk Design Team

10 Year
HÅG Guarantee

QUALITY

10-year guarantee:

- HÅG provides a ten-year guarantee against production defects on all office chairs that are in normal use for up to 9 hours per day.

Certifications:

- Tested in accordance (pending approvals) to EN 1335-1 2020 Type B and EN 1335-2-2018, GS, EN 1729-2:2012+A1:2015 and EN 16139:2013.
- Flokk is ISO 9001: 2015 certified - quality management.

Maintenance:

- Vacuum clean the chair with a furniture brush or wipe it with a clean, white cloth or sponge slightly dampened with clean lukewarm water. Do not remove any plastic parts or attempt to open the seating mechanism. Contact your Flokk dealer if the chair requires servicing or maintenance.

Fire safety information:

- CMHR foam (fire resistant foam) is available on request, but must be specified at time of order and adds approximately two to five weeks to delivery lead times. CHMR foam must be specified on chairs intended for domestic use in UK.

SUSTAINABILITY

- Designed for easy disassembly and refurbishment without using any special tools.
- Contains no hazardous chemicals.
- Made with 68-74% recycled materials.
- Carbon footprint 39,1 kg CO₂e for model 2100 without armrests, packaging included.

Certifications:

- Flokk is ISO 14001:2015 certified - environmental management.
- Environmental product declaration (EPD) – life cycle analysis of the chair based on ISO 14025:2010.
- GREENGUARD GOLD certificate – ensures that the chair meets strict chemical emissions limits.

- Pending on approval: Möbelfakta certificate.
- Pending on approval: the Nordic Swan Ecolabel.

Materials specifications:

- Share of recycled material in total: 68-74%.
- Recycled aluminium 97-98%, post-consumer recycled plastic in seat and back shells 94%.
- Total weight of product 10,9 kg - model 2100 without armrests, packaging not included.
